

11. Subscriptions

Shows all active and inactive subscriptions purchased from your customers.

The screenshot shows a web interface for managing subscriptions. At the top left, there is a hamburger menu icon. Below it, the heading "Subscriptions" is displayed with the subtitle "Manage subscription packages from your clients". A callout '1' points to this heading. Below the heading, there is a "Subscriptions" section with a "Show 10 entries" dropdown. A table with columns "ID", "Username", "Amount", "Subscribed", and "Paid how" is shown. A callout '2' points to the "Subscribed" column. The table contains one row with ID "1", Username "testclient", Amount "25 USD", and Paid how "Stripe". A callout '3' points to the "testclient" username. Below the table, it says "Showing 1 to 1 entries".

ID	Username	Amount	Subscribed	Paid how
1	testclient	25 USD	✓	Stripe

1

The subscription view will show you all active and inactive subscriptions. The table gives you all options to change order, filter and search through the subscriptions.

2

It will show you if the payment is a subscription and repeats itself every cycle automatically.

3

Clicking on the username will bring you to the client edit form with more details about the payment.
