

Chat Template - Explained

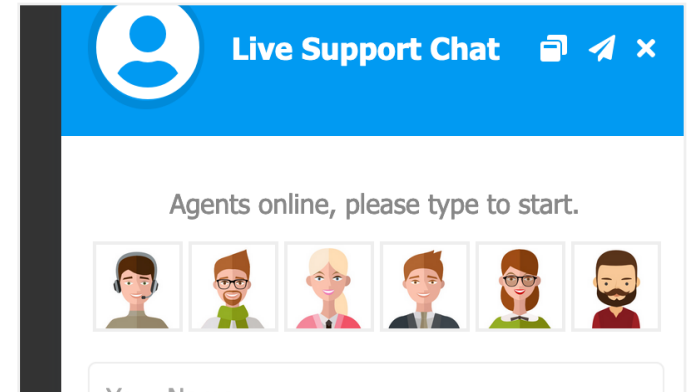

The Live Chat Design - Business

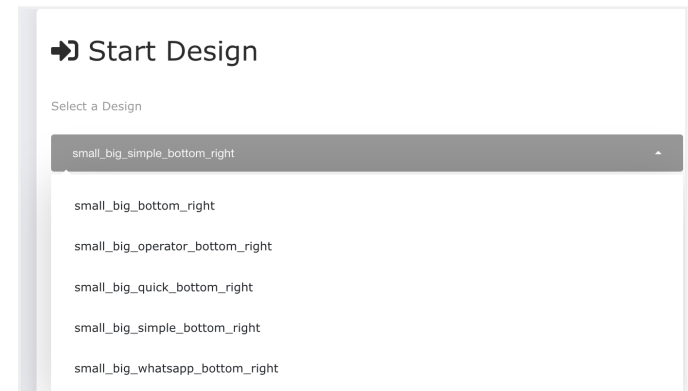

The brand new Live Chat Design introduced in November 2021 is the latest available Template for our Products Live Chat 3, HelpDesk 3, Cloud Chat 3 and Cloud Desk 3. It is fast and build on pure vanilla Javascript and CSS.

Created by Jérôme Kaegi | 12 November 2021

Simple to Use

Two different main designs a pop up like style and a side bar style.

Many options and mini templates build in, easy to manage and easy to create your own.
