# Live Chat Template

Features

This button will give you a second and much bigger view of the chat.

Send your message with the provided text area field. Hit enter to send the message or use the send button to the right with your mobile phone or mouse.

Upload attachments or images to your chat conversation. Share anything you want with your operator.

There are three button on the bottom of the chat:
Green = Chat Profile
Red = Close Session
Blue = Minify the Chat
